

1 **ABSTRACT**

2 A women's undergarment in the style of a thong for improving the user's
3 appearance when utilizing certain stylish low-cut pants and skirts. Close fitting
4 undergarment is a thong-style article which is adopted to be worn around a
5 user's waist while having support straps which are intentionally restricted such as
6 to prevent any part of the garment from being revealed while worn with low-cut,
7 below-the-hip style clothing.
